Professional GUIDE SERVICE

**Specializing on PEWAUKEE LAKE**

***Muskie fishing is my specialty***

*Let 40 years of experience and top of the line equipment work for you.*

*We will fish from a RANGER 620VS FISHERMAN fully loaded.*

***I WILL PROVIDE EVERYTHING YOU WILL NEED.***

*My services will enable you to try something that you would like to try but might not have all the proper equipment for a high percentage outing.*

*Fishing at the professional level, local tournaments and over 200 days on the water each year is there for you to learn from. Nobody can guarantee a trophy fish every day, but I will promise a learning experience to go along with an enjoyable day or night on the water. There will be a high tech digital camera to preserve your memories forever. I am a strong advocate of*

*Catch + Photo + Release with Muskies*
